Join us October 21-23 for Transforming Michigan...*Leading, Innovating, Collaborating*, the Council of Michigan Foundations' 35th annual conference.

During these challenging times in Michigan, the collective work of foundations in addressing social and economic needs has become more crucial. If foundation trustees and staff wish to play a role in effectively transforming Michigan, it will require leadership, innovation and collaboration.

The conference committee has designed a program that is certain to increase your knowledge, expand your skills and expose you new ways foundations are meeting today's unique challenges.

Pre-conference offerings begin at noon on Sunday. Join colleagues for the popular networking luncheons and special workshops and to stay through Tuesday to get the most out of the year's premier education and networking event for grantmakers.

See you in October!

## The CMF 35th Annual Conference

*The CMF annual conference – designed by and for foundation trustees and staff – offers the year’s best opportunity for members and nonmembers to build skills, gain knowledge and network!*

### WHO SHOULD ATTEND

- Family Foundations
- Independent Grantmaking and Operating Foundations
- Community Foundations, their Affiliates and Donors
- Corporate Foundations and Giving Programs
- Public charities with grantmaking programs
- Banks and Trust Companies, consultants and legal counsel registered by the foundations they serve

## Who We Are

The Council of Michigan Foundations (CMF) is a membership association of over 400 foundations and corporations who make grants for charitable purposes. Our mission is to *strengthen, promote, and increase* philanthropy in Michigan. CMF members include staffed and unstaffed foundations making grants of \$3,700 to \$220 million per year.

## Conference Goal

To design an event that recognizes, honors and welcomes all participants – providing them opportunities to reflect, refresh and network with peers; be exposed to the latest knowledge and issues facing philanthropy; and learn at least one new skill or resource to help them be more effective.

CMF members from the Michigan Women’s Foundation (left to right) – Maria Elana Rodriguez, trustee; Barbara Hill, president & CEO; and Carolyn Baetz, program officer – stand in the midst of the hustle and bustle of Detroit’s Eastern Market, the largest historic public market district in the U.S. and venue for a site session focusing on how the market is increasing residents’ access to high quality, locally grown produce and supporting the local economy. Rodriguez “can’t wait to share the diverse culture and terrific food that makes up the essence of Eastern Market.”
